

CAPABILITY STATEMENT

CORE COMPETENCIES

LatReb Logistics, LLC was organized in 2019 by Marcello Banes, a minority business owner with over twenty years of trucking and logistics experience as an operator, manager and coordinator.

LatReb Logistics, LLC provides hauling services to grading, pipeline and general contractors. **We specialize in hauling non-hazardous material including, but not limited to GAB, Rip Rap to Projects, Aggregate, Asphalt, Millings, Sand and Dirt.** In addition to our fleet of tandem trucks, we have 40+ owner operators and small fleet operations that we regularly call on to handle more and/or larger projects. Our company operates throughout various counties in the State of Georgia.

DIFFERENTIATORS

OUR FOCUS IS ON HAULING:
