

Mimar Architects and Engineers, Inc.  
**Mimar Ponte Mellor**

COMMUNITY CENTERS

FEDERAL

HEALTH CARE

**Capability Statement**

Mimar Architects & Engineers, Inc. has provided comprehensive architectural, engineering and construction services throughout its 20+ year firm history, for hundreds of institutional, federal and commercial facilities. With more than 80% of our design work related to on-call/task order contracts for public sector agencies as both Prime and Sub-Consultant. MPM understands how to execute both small and large task orders efficiently by carefully considering and managing the economic constraints of the project so that they are successfully delivered on time and within budget.
