

# CAPABILITY STATEMENT

## CORE COMPETENCIES

**Natalie's Hauling Company** will provide our clients with the highest quality of service and safety in the dump truck industry. We will employ the best drivers and maintain a modern fleet of trucks. Excellence in service and commitment to safety are our goals and we measure ourselves by the high expectations of our clients.

**Dump trucks are a basic necessity and requirement on the construction site for various activities such as:**

- MOVING LAND
- HAULING HEAVY MATERIAL AND DIRT
- HAULING ASPHALT FOR PAVEMENT OF HIGHWAYS AND PARKING LOTS

## DIFFERENTIATORS

- ✓ **BRAND NEW DUMP TRUCK & THE LATEST TECHNOLOGY** - We can do the job better, faster and at a more competitive rate.
- ✓ **BEST DRIVERS** - We only employ the best drivers in the industry, following a stringent background and driving record check.
- ✓ **SAFETY** - Safety is always a priority and a long term commitment. We measure our success by the high expectation of our clients.
- ✓ **CREDENTIALS** - Our drivers have all the credentials needed to enter the Port of Savannah, operated by the Georgia Ports Authority.
