

CAPABILITY STATEMENT

COMPANY OVERVIEW

PMI Solutions, LLC, was established in Atlanta, Georgia, to offer services and products to both the public and private sectors. PMI Solutions is an emerging a small business that has years of experience in the public and private sectors. **The brokerage was established by Ronald Wright.**

As an insurance brokerage company, PMI Solutions has a local office in Atlanta, Georgia, and has over 20 years' experience. **PMI Solutions has experience in brokerage services, product placement, underwriting services, enrollment services, new hire orientation, and shared account management.** As brokers and consultants, we have long-term relationships with all the major insurance carriers and ancillary vendors.

CORE COMPETENCIES

- PMI Solutions **helps** clients understand plan changes, administration, and funding options, provides open enrollment, new hire orientation, shared account management, product placement, and health fairs.
- Key health and client issues and provide updates.
- **Provides** technology solutions to increase employee understanding and appreciation, reduce administrative burdens.

DIFFERENTIATORS

Strategic planning is a process that is unique to each organization. It is not a one-time event but rather a fluid process that changes as internal and external factors change. While most companies claim to have a benefits strategy, few have actually gone through a formalized and detailed process to deliver a strategic document that is the centerpiece for how benefits will be delivered. At PMI Solutions we do just that.
