

CAPABILITY STATEMENT

Delivering Excellence At Every Turn!

COMPANY OVERVIEW

Poplar Trucking is a minority woman-owned enterprise situated in Douglasville, Georgia. Our unwavering commitment to operational excellence and dependability has precipitated rapid expansion, enabling us to deliver outstanding shipping solutions throughout North America since our establishment in 2021.

At **Poplar Trucking**, we pride ourselves on maintaining round-the-clock customer support and an extensive array of comprehensive customer choices. These capabilities position us to effectively address the escalating requirements within the realms of trucking and logistics.

We are acutely aware that transportation challenges can disrupt business operations, and we recognize that each shipper possesses a distinct set of requirements.

CORE COMPETENCIES

Poplar Trucking's expertise is managing logistics to move, pre-position, maintain our vehicles, and safely track and deliver freight seamlessly using:

- **BOX TRUCKS**
- **SEMI'S**
- **EXPEDITED**
- **SHORT HAUL**
- **LONG HAUL**

DIFFERENTIATORS

- A+ Performance Rating with Amazon Relay nationwide
- FMCSA /BOC-3 compliant
- Certified small business with USPS
- When working with Poplar Trucking, you will experience a streamlined process with dedicated individuals that always strive for excellent facility support
- Our daily goal is to continue to provide premium services that translate into shipments being delivered on time and damage-free
