

**Providence Residential & Outpatient PTSD Services****COMPANY OVERVIEW**

- Providence Residential & Outpatient PTSD Services, LLC dba PROPS, provides exceptional behavioural health services for federal, state, and local governments, military personnel, veterans, first responders, and others exposed to traumatic events and their ensuing mental health and substance abuse needs. We have been incorporated since 2013 in Georgia as a Limited Liability Company. Our specialization is providing evidenced-based, client-centered, holistic mental health, trauma-focused, and substance abuse treatment in a manner that exemplifies excellence and cost-consciousness. We have a multidisciplinary mental health team certified in mental health therapies, in addictions counselling, and as certified DOT Substance Abuse Professionals (SAP).

**CORE COMPETENCIES & DESCRIPTION OF SERVICES AND/OR PRODUCTS**

- We possess specialized training and certifications in the evidenced-based mental health treatments used by the VA and DOD.
- We are knowledgeable in the assessment and treatment of effective mental health and substance abuse services for diverse groups.
- We are certified in treatments used by drug courts in Georgia for the implementation of substance abuse services.
- We are aware of the staffing and treatment needs required to implement evidenced-based interventions.
- We understand the importance of adequate training and consultation in order to increase staff competency and successful patient outcomes.

**MANAGEMENT PROFILES**

- Dr. Felicia Berry-Mitchell, the President and Founder of PROPS, is a licensed psychologist, and former VA provider. She worked in the Atlanta VA Health System and completed her pre-doctoral training at the Augusta VAMC/Medical College of Georgia Consortium. Dr. Berry-Mitchell was certified in Cognitive Processing Therapy (CPT) and Prolonged Exposure (PE) through the VA. Dr. Berry-Mitchell and PROPS contractors have the Substance Abuse Professional (SAP) certification through DOT and are certified Anger Management Specialists. We also have several contractors who have the Certified Addiction Counselor (CAC) certification.

**PROJECT EXPERIENCE/REFERENCES**

- **Mental Health and Substance Abuse:**
- We have a subcontracting agreement with Life Tools

Development Center and have provided intensive outpatient mental health services, trauma assessments, and substance abuse services to the Douglas County Felony Drug Court program in Georgia since January 2015. The contract value has been \$40,000/year. Additional information related to past performance can be provided by our reference Mr. Jamal Baker, who can be contacted via phone or email at 770-942-4742 or at jamal.baker@theldc.org.
