

# CAPABILITY STATEMENT

MEMBER

American Staffing Association

## CORE COMPETENCIES

Providence Staffing, a premier minority-owned, full-service staffing agency, delivers highly qualified talent to meet the needs of commercial, corporate, and government clients. We specialize in providing temporary, temp-to-hire, and permanent employees nationwide, ensuring top-tier solutions for every staffing requirement.

## DIFFERENTIATORS

- We excel in executive searches for hard-to-fill positions, specializing in finding the perfect candidate for even the most challenging roles.
- As a full-service staffing agency, we manage payroll for all temp-to-perm workers and contractors, and conduct our own drug screenings and background checks. This comprehensive approach alleviates the stress of hiring for our clients, ensuring a seamless and reliable staffing process.
- We offer our clients Recruiter Retainer services, providing a dedicated recruiter for all their hiring needs at a fraction of the cost of hiring a full-time Talent Acquisition Manager.

## PAST PERFORMANCES

### LAW OFFICES OF GARY BRUCE

Successfully recruited and staffed senior-level attorneys, associate attorneys, and paralegals for an expanding law firm in Columbus, GA, ensuring a strong legal team to support the firm's growth and success.

CONTACT: Gary@garybrucelaw.net

### TIMBERLINE CONSTRUCTION GROUP

Successfully recruited and staffed senior-level construction managers, accounting personnel, and construction labor for nationwide FEMA construction projects, ensuring timely support to communities affected by natural disasters.

CONTACT: Tchatmon@timberlinecg.com

### MOBILE BAY DENTAL AND VISION

Successfully recruited and staffed General Dentists for multiple offices in the Greater Mobile, AL area, enhancing the dental services provided to the community.

CONTACT: Shelby@mobiledental.com

### JOHNS MANVILLE

Successfully recruited and staffed temp-to-perm general labor for a 24/7 manufacturing plant in the Greater Columbus, GA area, ensuring continuous operations and productivity.
