DIFFERENTIATORS

SAYDA LOGISTICS is a full-service provider working with a vast network of quality carriers and below are some of the things that set us apart:

- › Competitive rates
- › On time pick-up and delivery
- › Qualified & experienced drivers
- › High safety ratings
- › Communication and updates throughout the freight movement process
- › Honest & Reliable
- › Competent & Resilient
- › High degree of professionalism

We know that shippers just want a dependable company to count on and we are that company!

We use multiple carrier vetting software to make sure we don't book a load with a driver with an unsatisfactory rating or one without adequate or valid insurance coverage.

CARRIER VETTING SOFTWARE

- › Carrier 411
- › DAT Carrier Watch
- › SAFER System (FMCSA)
- › SMS (Safety Management System)
- › RMIS (Truckstop/ITS Dispatch)

CARRIER CREDIT CHECK

- › MAP21
- › Credit Business
- › Dun & Bradstreet
- › Transcredit
- › Equifax
- › Experian Small Business
