CAPABILITY STATEMENT

Southern Perfection Painting, Inc. was started in 1984 in Georgia. For large commercial projects we travel to FL, SC, AL and TN.

Southern Perfection Painting, Inc. (SPPI) supports the Commercial Private and Public sectors. Our target project size is small to mid-range Painting Services projects from \$5,000 - \$500,000. In its mission, SPPI prides itself on **quality, pricing, change order management, technology and automation** by providing:

- **Best in Class Commercial Painting** providing operational excellence
- **Product Lines Used:** Sherwin Williams and Home Depot Behr
- **Painting Processes Utilized:** Surface Preparation, Protection Adherence, and Quality Assurance
- Self Punchlist Implementation before the GC does their punchlist incorporating QA/QC
- Incorporate **Lean Construction Focused Principles** by minimizing waste and reducing errors - TQM
- Environmentally Safe Practices implemented providing overall value to project
- Corporate Level Project Management including Reporting
- Automation Analysis and Implementation
- "Hands On" Management by the Owners
- Minimal or No Change Orders
- Crafted Implementation Strategy and Collaboration

DIFFERENTIATORS

- Designed and Implemented Enterprise Grade solutions for large multi-unit projects.
