INTRODUCTION

Company name: Stories By Josie • **Established:** 1997

Stories By Josie is an Entertainment and Wellness business that employs fun, laughter and entertainment to audiences, of all ages and sizes to increase positivity and good health.

MISSION

To inspire a love of learning, creativity and imagination and to encourage healthy lifestyles.

CORE COMPETENCIES

- ◆ Ability to quickly assess audiences, their capabilities, level of receptiveness and interests.
- ◆ To think on my feet in presenting wellness presentations or stories that draw in audiences, make them an integral part of the presentation and meet their needs.
- ◆ For wellness programs, ability to make exercise fun.
- ◆ Schools and libraries, ability to encourage creative thinking, instill a love of language and narrative and teach a lesson for life.
