CAPABILITY STATEMENT

TAM Fitness Vending provides quality and affordable vending solutions by supplying healthy snack and beverage options specifically designed for our clients' type of businesses. We ensure companies have the greatest vending experience by offering **excellent service, extremely fast response times, and customized programs** to meet every company's unique needs, including remote inventory control.

PAST PERFORMANCES

We provided Vending Machine Services for the following clients:

JUST FITNESS 4U
PREMIER FITNESS 24/7
10TH PLANET ATLANTA

DIFFERENTIATORS

REMOTE INVENTORY MONITORING

We monitor the inventory in our machines remotely to know exactly what needs restocking – this lessens the amount of space we take up, and the time we spend on-site in our clients' businesses.

CLIENT INVOLVEMENT

We customize programs to meet our clients' needs by allowing them to participate in the product selection for their business.

COMPETITIVE RATES

We use refurbished rather than new vending machines, allowing us to charge reasonable prices for our products and services.
