INTRODUCTION

The Ancon Group, LLC, is a multilingual Woman- Owned and Minority Small Business. We offer a wide array of financial accounting and back office business services including financial compliance, government and commercial bookkeeping, resolution of commercial and federal tax issues, and compliance training and development.

With over two decades of experience in the financial services industry, we focus on integrating financial benchmarking into the consulting process; finding innovative ways for our clients to optimize financial processes; and planning for evolving competitive and regulatory landscapes. Our financial services include financial analysis and assessment, accounting and tax services, and project financial management.

We also provide DCAA Compliance services encompassing practically every industry including contracts for the DoD, civilian government procurement agencies, and numerous state and municipal entities. Our services include DCAA audits and compliance, DCAA accounting system set up and implementation, FAR compliance Government contracts /GSA schedule proposals, and more.

Additionally, The Ancon Group offers professional management services which focus on assisting companies solve a large swath of complex managerial issues. Our program and project management teams work closely with each company to learn about their respective issue(s) enabling us to develop a customized approach, suggest innovative solutions, recommend improvements, and implement a new plan of action as needed.

MISSION

The Ancon Group, LLC, assists companies in both the private and public sectors with adherence to financial compliance. We improve operational details and review and monitor accountability. We also help clients develop the capacity to improve their business operations by

providing a comprehensive range of financial and training services which are client-centered and uniquely tailored to meet specialized needs. Controlling costs, maximizing productivity, and delivering profits is key.
