## Capability Statement

The Renee Group, Inc. (RGI) is a female minority owned construction company with over 60 years of combined experience in the water & sewer utility industry. RGI performs all phases of water distribution and sanitary sewer construction. RGI repair and rehabilitation of water infrastructure includes CIPP (cured in place pipe lining); CCTV video pipe inspections; sewer & stormwater pipe installation; pipeline point repairs; and locating, exposing and repair/rehabilitation of manholes. We also install water utility markers, water meters, and water mains. RGI has a dedicated team for easement construction of concrete structures such as curbs, driveways, and sidewalks. RGI employees have installed over Three Million linear feet of CIPP lining and associated CCTV inspections. Headquartered in Atlanta, RGI provides services in Georgia, Alabama & Mississippi.
