

TRANSCENDING SPACE

# Helping You EXTEND YOUR REACH

## with Video Conferencing and Telehealth Solutions

### Telemedicine. Telehealth. Distance Learning.

## CORE COMPETENCIES

Our goal as your consultant is to

- listen to your needs,
- sort through the market's numerous possibilities and
- target only the solutions that are relevant to your business or practice.
- We provide you with options that fit your budget and meet or exceed your expectations.

Whether you have a single practice, multiple offices or a regulated medical facility, Transcending Space has **the knowledge, the network and the expertise** to search for options that meet the needs of your business, coordinate platform demonstrations and implement **successful telehealth solutions**.

\*All recommended solutions are HIPAA compliant.

## RESEARCH

We have years of experience researching telehealth solutions including cloud-based platforms with a focus on Telehealth as a HealthCare Solution, as well as technology trends, adoption and usage

We keep abreast of new bills and laws passed concerning Telehealth and also attend conferences local to Georgia as well as the national conference sponsored by the American Telemedicine Association (ATA).

## NETWORK OF SOLUTIONS

Transcending Space is networked and affiliated with platform and hardware providers allowing you to take advantage of who we know and quickly get product demos in house. Many of our affiliated vendors will extend our clients an additional discount.

We have also established a budding relationship with the Georgia Psychological Association.

## DIFFERENTIATORS

- Over 30 years of experience in the IT industry.
- Experienced in systems design, implementation and installation of telecommunications and video conferencing technologies.
- Certified BICSI Level 2 Copper Installer.
- Certified Telehealth Coordinator – National School of Applied Telehealth (NSAT).
