

Veterans with Abilities and Disabilities

Maximizing our Abilities

# CAPABILITY STATEMENT

At **Veterans with Abilities and Disabilities**, we are dedicated to empowering and supporting our nation's veterans by leveraging their unique skills and expertise. We specialize in creating an inclusive environment that harnesses the strengths of veterans with diverse abilities, fostering an environment of innovation and success.

## CORE COMPETENCIES

### LOGISTICS:

Proficient in managing supply chains, transportation, and distribution networks to ensure efficient and timely delivery of goods and services.

### PROCUREMENT:

Skilled in strategic sourcing, negotiating contracts, and acquiring the best quality materials and resources while maintaining cost-effectiveness.

### DESIGN AND PRODUCE CUSTOM APPAREL:

Expertise in crafting tailored and high-quality apparel, utilizing innovative design techniques and materials to create custom solutions that cater to diverse needs and preferences.

## PAST PERFORMANCES

**Lowes Home Improvement:** Expert Appliance Delivery & Installation  
We specialize in seamless logistics for safe and professional appliance delivery and installation, ensuring maximum customer satisfaction.

**Amazon:** Efficient Product Transport Between Centers  
Our logistics expertise optimizes product transportation between Amazon's distribution centers, contributing to their robust supply chain management.

**Google:** Timely Procurement Transport Logistics  
Partnering with Google, we provide efficient logistics for transporting procurement materials to diverse sites, supporting their operational efficiency.

**Upcoming Fraternal Organization Contract:** Custom Apparel Excellence  
In progress, our contract involves crafting high-quality, custom apparel tailored to the specific needs and values of a fraternal organization.

This summary encapsulates the core strengths and abilities of Veterans with Abilities and Disabilities, highlighting the crucial competencies in logistics, procurement, and custom apparel design and production.

## DIFFERENTIATORS

At Veterans with Abilities and Disabilities, our distinctiveness in the industry is anchored in key elements that elevate us above competitors. A primary differentiator is our unwavering commitment to in-house operations, providing us unparalleled control over quality and timelines. Our dedication to delivering work of exceptional standards remains a guiding force in all our endeavors.

### How We Excel:

Conducting a substantial portion of our work in-house ensures a higher standard of quality and better control over timelines. This allows us to deliver superior results faster and more reliably. Our unwavering commitment to quality, coupled with a timely and professional approach, positions us as a trusted company consistently delivering exceptional products and services.
