Capabilities Statement

We offer a fresh approach to the gluten free lifestyle. We provide alternatives to food service establishments that desire to offer gluten sensitive menu options as well as product offerings for gluten free kitchens. The gourmet gift line can be distributed to corporate clients, department stores, online retail chains, lifestyle stores, catalog companies, and hotel and hospital gift shops. Our offerings include gluten free ready to bake cookie dough, thaw and serve products, and easy to use mixes to create your own gluten free products at your convenience. The gourmet gift line includes freshly baked cookies with an assortment of gift box sizes available.
