

ANEW MIND & BODY  
WELLNESS

# Capability Statement

## Who We Are

Anew Mind and Body Wellness, LLC is a wellness company specializing in halotherapy, a natural therapy that offers quick relief for stress, skin conditions, detox and overall wellness in just 10 minutes. Our portable booth offers a unique approach catering to locals, businesses, and travelers looking for a holistic and effective solution for their health and wellbeing.

## Why Choose

### Client-Centered Service Design

Personalized service offerings based on individual or group needs (i.e. respiratory wellness, stress relief, meditation).

### Mobile Logistics & Scheduling

Efficient process for planning, appointment scheduling, and equipment assembly to maximize service delivery time and minimize downtime.

### Educational Outreach

Ability to educate clients and communities on the benefits of halotherapy.

### Innovation & Unique Solutions

Our halotherapy booth requires no construction, no build out or room modifications such as ceiling and HVAC. It only requires a minimum of a 5' x 5' space for operation, allowing for use in non-traditional spaces and varied customer experiences based on client's needs.

## Core Competencies

### Halotherapy Expertise

- Understanding of salt therapy benefits and protocols to ensure safe and effective treatments.

### Mobile Wellness Service

- Delivering high-quality spa and wellness experiences in a mobile format (i.e., salt tent setup with spa-like atmosphere) with pro-grade equipment.

### Partnership Collaborations

- Strategic partnerships with local businesses and school systems to enhance service offerings.

### Adaptability

- Capacity to adjust services based on client feedback, seasonal demand, or emerging wellness trends.

## Past Performance

- Savannah Early College
- Savannah Chatham County School System
- Garden City Elementary
- Haven Elementary School
- Southwest Middle School
- Benefit U Health Fair (Savannah)
- City of Savannah
