

CAPABILITY STATEMENT

CORE COMPETENCIES

Makkas Trucking LLC is a dedicated and reliable dump truck hauling company proudly serving the Atlanta Metro and Covington, Georgia areas. With our DBE certification, we are committed to providing exceptional hauling services that meet the highest standards of quality and efficiency. Our small but capable fleet consists of two well-maintained dump trucks, ready to handle various hauling needs.

- ✓ **Dump Truck Hauling Services:** Specializing in the transportation of construction materials, Asphalt, and other Aggregates.
- ✓ **Project Flexibility:** Capable of handling both small and large-scale projects with efficiency and reliability.
- ✓ **Experienced Operators:** Skilled and certified drivers ensure safe and timely delivery of materials.

KEY DIFFERENTIATORS

- **DBE Certified:** Our certification allows us to participate in a wide range of government and private sector projects, supporting diversity and inclusion in the industry.
- **Strategic Locations:** Operating in both Atlanta and surrounding areas of Georgia, we are strategically positioned to serve a broad geographic area.
- **Customer-Centric Approach:** Committed to understanding and meeting the specific needs of our clients, ensuring satisfaction and long-term relationships.
- **Modern Fleet:** Our two dump trucks are regularly serviced and maintained and are also equipped with the latest technology for optimal performance and safety.
