2019 Community Thanksgiving Dinner

Many people around our community are busy at work volunteering their time, efforts, and money to help feed approximately 400 plus people every year. Efforts to raise money to cover the costs of this year's Community Thanksgiving Dinner are commencing now. This dinner is to be held Nov. 16th at the Hughson Senior Center. Another Successful Event

Kudos to SBDC and their speakers, Ramon Scanlon and Karlha Davies, for this uplifting and informative event. Those in attendance were treated to breakfast catered by Main St Deli & Bakery, which provided a wonderful spread of brain food to start us off for what turned out to be a successful class..
