Chamber Honors Hughson High Scholars

The Hughson Chamber of Commerce awarded \$2,500 in scholarships to five Hughson High School seniors at the school's Academics Alive ceremony on May 15. The scholarships were funded by donations from the Friends of the Hughson Fruit and Nut Festival with matching funds from the Chamber. Scholarship winners pictured holding their plaques above

Academic Decathlon Winners Celebrate VIP Style

Shortly after winning the national championship for medium schools, the Hughson High Academic Decathlon Team was treated to a limo ride, lunch at The Golden Bowl and dessert at Main Street Café by the Hughson Chamber of Commerce. The celebration was a chance for the Chamber to congratulate and express its

pride in the students. Decathlon team members are Nathaniel Blazzard, Maddy Keo, Monica Yup, Monica

Hollcraft, Murphy Phillips, Kylee Sullivan, Austin Hoach, Sadie Padilla. Teacher Paul Michaelis coached the team.
