

Quilts for Kids:

Volunteer quilters transforming fabrics into patchwork quilts that comfort children in need

Northeast Georgia Chapter

April 2016

March has been the month for Spring cleaning for us. We have looked at our procedures for cutting kits and implemented new steps to insure better quality. Thanks for your patience, support and feedback. We are doing our best to make our process enjoyable for everyone.

As we turn four years old, our chapter celebrates our progress and is amazed by the fact that we have affected so many lives by our little comfort quilts. Think about the fact that not only is the child affected, but the parents, grandparents, siblings and friends. The ripples just keep on going. Eighteen hundred and seventy-four quilts in four years. Way to go!

Happy 4th Birthday to Us!

What a milestone for us to celebrate.

Northeast Georgia Medical Center

Left: 6 year old Nolan with his fire truck quilt.

And from his mother:

Thank you so much for the beautiful quilt and sending this sweet picture! God bless the wonderful work you do and all of the children you serve. :-)

Thank you so much

Below: 2 year old Jamiyah in the treatment room being admitted and about to receive IV. She's smiling now.

And from her mother:

"Thank you all so very much she is in love with her new quilt she haven't put it down at all today I'm looking forward to reading the news letter thanks again."

Athens Regional Medical Center

This is Will.

He loves his Harry Potter quilt and so did his mom, grandma and pastor. We gave 10 quilts today.

Susan

This is Amy with her quilt on 3/17/16.

Donated by Jane Broaddus after presenting the program on English paper piecing to the Hall County Quilt Guild on March 7th. What a neat surprise to receive these beautiful quilts! Can't wait to give them to some lucky kids.
