

Quilts for Kids:

Volunteer quilters transforming fabrics into patchwork quilts that comfort children in need

Northeast Georgia Chapter

April 2013

The month began with a presentation to the Hall Quilt Guild which resulted in their members signing out 18 kits to sew for us. What a wonderful response of support!

Quilt delivery on Friday March 8th was to the most patients yet in one day. There were thirteen kids ranging in age from 44 days to 19 years old. (Photo Left: 13 year old "S" and his new quilt.)

The next surprise came as a donation of fabric from Thread Bear Fabric in Cumming. Thanks to Janet and Randy for their generosity and support.

(Photos right: The fabulous fabrics from 3 different lines.)

When you visit Thread Bear Fabrics, be sure to thank them for their donation.

Anyone interested in cutting kits? We now have plenty of fabric.
