

Quilts for Kids:

Volunteer quilters transforming fabrics into patchwork quilts that comfort children in need

Northeast Georgia Chapter September 2012

The feature story this month is FABRIC!

More specifically, donated fabric. Thanks to the ladies who took the time to purchase or go through their stash for these beautiful pieces. I can't wait to begin cutting kits from these. In case you are wondering, the total yardage is more than 71 yards.

Thanks from the bottom of my heart!
