

Quilts for Kids:

Northeast Georgia Chapter

November 2016

Page 2 has photos of 2 granddaughters of a friend of Q4K. Both have a brain tumor and we were asked to send them a quilt. See the smiles that the quilts brought to these girls and thanks for making all the quilts your do for our chapter. It does make a difference!

Thanks to Thread Bear's Janet and Randy for the donation of 134 yards of kid's focus fabrics to us on October 27th. It was Janet's birthday and we received the gift. Please tell them how much we appreciate their support of Q4K when you visit their shop.

Our annual Halloween party was a hit on October 29th. Forty-four guests participated in the fun, food, haunted house tour and craps game lesson. Thanks to our family members who helped make it successful and thanks to those of you who came.

And lastly is the Boo Crew report...See page 5 for names of the crew, some of which are pictured here with staff of Peach State Bank where we visited after our quilt delivery.

Thanks to all for your help in spreading cheer today. We made many smile and a few chuckle too. Don't you love Halloween?

One stitch, one quilt, one kid at a time...

Betty,

I am forwarding the message (see below) and the picture I received from Leah's grandmother. Leah is the one year old who had surgery to remove a tumor from her brain, that you so graciously gave me a quilt to mail to her as she lives in Florida.

Debbie

Leah received her quilt. Her mom posted on face-book. The picture is adorable! Thank you for the beautiful and thoughtful quilt! Leah loves it. She was pointing to the different patterns and rolling around on it. Thank you!

Suzanne

Betty,

This is Reagan (10 yrs. old) with her quilt. See her mother and grandmother's comments below.

Thanks so much and thanks for all that you do.

Debbie

Here is Kristi's(mother) facebook post:

Reagan loves it! Thank you for thinking of her...it was so sweet. She has been sleeping with it.

Here is Suzanne's (grandmother) comment

Thank you so much-I know receiving the quilt has been good medicine. It will probably be used until there is nothing left but a thread-it will be loved to shreds!

Suzanne
