

Quilts for Kids:

Volunteer quilters transforming fabrics into patchwork quilts that comfort children in need

Northeast Georgia Chapter November 2022

Happy Halloween

Greetings on my favorite holiday. Time to celebrate all the scary things we love. This year will be different though. I haven't decorated, made plans with family or bought any candy. At this house, we get no Trick or Treaters and a having a party was more than I could handle. Maybe next year.

As for our chapter of Quilts for Kids, it's been another quiet month here but others have been working so diligently. Dianne took 49 quilts to CHOA for them to divide between the two hospitals we serve.

Also the company who donated the beautiful junior crib sheets a couple of years ago, contacted us to see if wanted more. About 1000 more. They work so well as a back on our quilts so Lisa said, "Yes". Get your seam rippers ready to help us make them ready for cutting.

This Wednesday, the chunking crew will be coming to my house to partially cut more kits to be picked up at our sponsor Quilt Shops, Guilds and workshop. See page 2 for addresses of each. And when you visit these supporters, be sure to thank them for all they do to help us comfort kids.

See you
later and don't let
the spooks get
you tonight.

Boo!
