

Quilts for Kids:

Volunteer quilters transforming fabrics into patchwork quilts that comfort children in need

Northeast Georgia Chapter May 2026

We were pleased with the 14th birthday celebration last month although we were somewhat small in numbers. We had many regular volunteers that were traveling. Wish more of you could have been there!

We did come up short last month on the number of quilts we normally give to Northeast Georgia Hospital System. We ask that you please continue to complete quilts and turn them in at any of the workshops, quilt shops, or quilt guilds that work with us.

I had some abdominal surgery this past week so I got to experience Northeast Georgia Hospital from the inside. Let me tell you I was very appreciative of the quilt my husband brought me from home. I understand better what the children go through when they are patients. What we do is very important in comforting them when they are experiencing any type of trauma.

Mark will be taking the lead in our workshops this month as my recovery is four to six weeks. I look forward to being back with you next month!!
