

Quilts for Kids:

Volunteer quilters transforming fabrics into patchwork quilts that comfort children in need

Northeast Georgia Chapter

March 2018

It's Official

Due to the overall growth and success of our chapter, I am officially overwhelmed! It's time for me to ask you to step up and assume leader positions to help me out. I am very grateful to Susan and Deborah of the Nicholson group and Janice and Michele of the Duluth/Suwanee group for having made the step up in the past to lead their respective groups. Both groups are working so hard to support their hospitals and continue to provide leadership to their volunteers. My goal is to share the positions with you or your team and have each area working independently.

I will remain the Administrator/Marketing person as the chapter leader and continue to handle email inquiries, monthly reports, presentations to groups, and editing the newsletter. Broken out are the positions on the spreadsheet on page 2 which describes the area and its responsibilities. These positions will work and report to each other as each is dependent on the others. The design is to work an entire area by an individual or "team". That way it doesn't become the main focus of your life and calendar like it has mine. The chunking team has been one such team and is meeting monthly or bi-monthly to precut kits for the workshops. It's a great team and I appreciate their work and support. Please consider establishing a team over one of these areas and let me know your desire and concerns.

I am proud of what we have built together. It's been a wild ride and I can't wait to see how awesome our chapter becomes with others leading too. Let me hear from you....
