

Quilts for Kids:

Volunteer quilters transforming fabrics into patchwork quilts that comfort children in need

Northeast Georgia Chapter

August 2018

www.NeGaQuiltsforkids.org

WE HAVE SURPASSED 4000 QUILT DONATIONS!

In fact we are now at 4015 since our chapter began in 2012. See page 5 for this month's totals.

And yes, we did take extras to CHOA this month, but we STILL would have made 4000 by this month.

It's been an exciting month with a record number of quilts being turned in (see page 2) and a nice amount of fabric donated. The creativity continues to thrive at our workshops and new volunteers keep joining us. Our work continues and the need to comfort kids is still there.

What will happen next? I'm betting it will be another awesome event. Stay tuned next month to hear the news.

Meantime, thanks for your support and dedication to our project. We are making a difference in the lives of little ones. If you'd like to witness this process, join us at the hospital on a Friday for the quilt delivery. Contact me if you are interested at info@NEGaQuiltsforKids.org.

This is the stack of finished quilts turned in at the Hopewell UMC workshop on July 10th.

We counted 32 quilts and that's a record amount for any workshop! Way to go ladies and thanks so much for any piecing, quilting, binding, labeling and washing that you did. Some of these quilts were pieced by one person and finished by another. Eight were donated from a stash.

Thanks again to all who were involved. (Maybe I should be late arriving to the workshop more often.) Thanks for covering for me.

From the Nicholson Workshop

Some of the new quilts made by the Ladies at Nicholson
and the quilting done by Marlin V. on the baseball quilt. Way to go!

I can check 3 of the 10 listed here. How about you?

This was my request at the first of the month. We received three fabric donations for a total of 303 yards.

It is a wonderful thing to have your wishes granted. Do you want to borrow my lamp?
