

## Quilts for Kids:

Volunteer quilters transforming fabrics into patchwork quilts that comfort children in need

### Northeast Georgia Chapter November 2025

Quilts 4 Kids continues to keep us busy! We are currently delivering an average of 130 quilts per month, so the need for fabric donations is great. I'm constantly amazed at how the fabric needs are being met by donations from our volunteers and other individuals in the community. We had 3 sizable donations this month.

Included is a picture of our delivery to the Northeast Georgia Hospital System Foundation where a large number of our quilts go, I received a wonderful call from a grandmother who could not believe her grandson had received a beautiful quilt during his hospital stay this month. In addition to her call she wanted to make a donation to go towards helping other children receive a quilt. Just want you to know how valuable your volunteer work and donations are. They really make a difference to the children and their families.

We had the opportunity today to meet with one of our new groups, Church on the Hill. We loved meeting eight ladies who were very busy matching fabrics, cutting kits, sewing, and even binding completed quilts. We stopped by to meet them and ended up being pulled in by their excitement and working with them for two hours. If you are having a workshop or meeting please let us know and we will make our best effort to attend.

On the next page we are spotlighting some of the spooky quilts that were made for Halloween. This month we are hoping to collect quilts for the Christmas season so if you have a Christmas kit please make an extra effort to get it turned in. Thanks for all you do!!!!

Happy Quilting!!!
