

Quilts for Kids:

Volunteer quilters transforming fabrics into patchwork quilts that comfort children in need

Northeast Georgia Chapter

May 2016

Happy Birthday to US!

Our present? A check for \$5000 from Jackson EMC Foundation as a grant to purchase fabric for making our quilts.

Thanks to Bill Sanders for presenting the BIG check to us.

That's correct. We have been given another grant to continue our work. Thanks so much to JEMC Foundation for their support. See page 4 for a sample of the fabric we ordered.

Our workshop was spent cutting and sewing as usual, but we had a few special guests. Abit Massey (The Cat in the Hat at Halloween hospital delivery), Susan R. and Deborah L. from Nicholson and Sandy B. from HCQG.

Northeast Georgia Medical Center

This is Kathryn with her quilt on April 22nd.

A young woman with light brown hair is lying in a hospital bed, smiling at the camera. She is wearing a patterned hospital gown and a large, colorful, quilted blanket. The blanket features a central panel with a cartoonish animal and a border with various small patterns. A stuffed animal is visible behind her head. The background shows a hospital room with blue and white striped walls and medical equipment.

The first order of fabric provided by the Jackson EMC Foundation Grant has arrived. It's 151 yards of Bundle of Love fabric line and other young kid-friendly fabrics.

Cutting of kits will begin next month.

Quilts turned in this month from
Nicholson and Oconee Senior Centers
for donation to Athens Regional Medical Center.
Thanks Ladies!
