

Quilts for Kids:

Volunteer quilters transforming fabrics into patchwork quilts that comfort children in need

Northeast Georgia Chapter August 2024

Hope everyone has had a wonderful summer. Hard to believe it is ending and that schools will be starting next week. What that means for us is that the hospitals will start to fill up with illnesses from all those germs school children share.

Children's Healthcare of Atlanta will be moving into their long awaited new building this month. With the additional space for more children we can anticipate a greater need for our quilts.

It is our hope that we will reach our 10,000th quilt donation this year! To date, we have donated 9,649. To help us attain this goal, we hope that if you have any quilt kits, you will make an extra effort to complete and return them as soon as possible. If you don't have any kits, please pick a couple up at one of our loyal locations listed on page 2. We look forward to a celebration when we reach our goal!!

We really appreciate all the work you do for our charity!!
