

HOW TO ENTER THE ART ROOM COVID STYLE

PARKING & ENTERING

407 S Grove has plenty of street parking.

There is also a parking lot on Spring Street, but it will not be available during snow season. The Grove Avenue door will be open year-round. Go down the stairs and follow signs to the classroom from the Grove door, or follow the long hallway at the Spring street door when there is no snow. Call (872)2Ms-AArt for help.

WEAR A MASK

Please wear a mask into the building.

Keep a safe distance while you are waiting in line to enter the classroom and wear your face mask and use non-touch methods of greeting other students. If you are sick or have been around someone who is sick, please stay at home. There is a lovely garden on the Lincoln Ave side where students and parents can wait and eat a snack until time to enter the building.

CLASSROOM ENTER ONLY TEMP CHECK DOOR

Line up at the Classroom Enter door. Do not use the Exit door until the end of class-to exit. Parents pick-up there.

A station will be set up at the enter door to check your temperature with a no touch thermometer. Students with a temperature over 99.5 degrees F will not be permitted in the classroom that day. Parents may not stay during class, but may see the classroom, as these are drop-off classes.

WASH HANDS UPON ENTERING

Anyone entering the room must wash hands first thing.

After passing the temperature check, everyone entering the room must wash hands with soap at a sink inside the classroom thoroughly before taking their seat. Hand sanitizer is also available.

FIND A SEAT AT A DISTANCE

Only family members or sheltering in place pods can sit close to one another.

Please choose a seat after hand washing instead of milling around to avoid close physical contact with those outside your household. Bring your own art shirt and water bottle. Art supplies are provided in class and are not shared during class and are sterilized afterwards. Please, NO FOOD inside the building.

Students will wash hands again before leaving via the classroom exit door.

Students at Hough, Lines, Station, St. Anne's schools or neighborhood homes may walk to and from art class, IF I have a permission letter signed by parents on file. Send letters for independent children to MissAlayneArt@gmail.com.
