Dear Sponsor:

The Language Buzz is Columbia's first and only world language learning center dedicated to the study of foreign languages and world cultures. We offer full-immersion classes in Spanish, Mandarin and French that serve learners age 2 through adult. Since 2012, we have provided world language-learning opportunities to over 630 children across South Carolina.

In February 2015, we established The Language Buzz Foundation (501c3). The purpose of the foundation is to provide scholarships to children whose parents cannot afford the cost of participating in our programs. Embracing cultural perspectives and speaking multiple languages are vital skills for the next generation to compete and succeed on the world stage. You can support The Language Buzz Foundation by becoming a sponsor of our 4th annual Cinco de Mayo Street Festival:

Honeybee Level (\$1,500): includes name display at our language center, recognition on our website and social media accounts, signage display at the Cinco de Mayo Festival, and eight VIP passes and reserved seating at the Cinco de Mayo Festival.

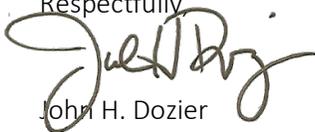

Bumblebee Level (\$1,000): includes name display at our language center, recognition on our website and social media accounts, signage display at the Cinco de Mayo Festival, and six VIP passes and reserved seating at the Cinco de Mayo Festival.

Honeycomb Level (\$750): includes recognition on our social media accounts, signage display at the Cinco de Mayo Festival, and two VIP passes for the festival.

Bee Hive Level (\$100 - \$499): includes recognition on our social media accounts, and signage display at the Cinco de Mayo Festival.

Please mail your tax-exempt donation to 1921 Henderson Street by April 25th. Please email your logo to victoria@thelanguagebuzz.com. We appreciate your consideration and look forward to seeing you at the festival.

Respectfully

John H. Dozier
