

Lambourne Golf Club

The Lambourne Club is set in 180 acres of breathtaking parkland with magnificent old oak and beech trees and 6 picturesque lakes. It is one of the most prestigious private clubs in the region. The clubhouse, a unique combination of understated elegance and traditional colonial style comfort, has a relaxed and comfortable atmosphere.

The Lambourne Club provides one of the region's best golfing challenges. The par 72 course measures 6771 yards from the back tees and has 3 other sets of tees to suit all abilities. Although a strong challenge for the low handicap golfer (seven of the par 4 holes are over 400 yards!), the course is also very enjoyable for all players. It is maintained with the highest consideration for environmental issues.

Constructed on gravel, so not blighted with drainage problems, The Lambourne Club has the added bonus of its own two million gallon lake and bore hole. These irrigate not only the tees and greens but the fairways too.

Directions

From the M4: Exit at junction 7. At the roundabout turn left onto the A4 towards Maidenhead. After a short distance turn right at the traffic lights into Huntercombe Lane North. After half a mile, at the T-junction/mini roundabout, turn right into Priory Road. After one third of a mile, at the second traffic lights, turn left into Hogfair Lane. Continue along this road up the hill and round the sharp right-hand bend by the Bee Pub in Burnham Village, following the signs to High Wycombe. The entrance to the Lambourne Club will be found on the left, 1 mile after the Bee Pub.

From the M40: Exit at junction 2 and take the A355 toward Slough. After 250 yards turn right across the dual carriageway, proceed towards Burnham for three miles. The entrance to The Club is on the right hand side 1 mile after the Jolly Woodman pub.

Slough Sikh School Project

We have the pleasure of announcing the launch of a £7000,000 school project in slough, now in its final stages. The project started through identification of a gap in the current schooling services and as a result we proposed a self sustaining strategy to cover the needs of sloughs growing population. The Government has demonstrated its support for the school with £6.2M donation. The primary school is voluntarily aided and will cater for 450 children aged 4 to 11,

((abit about why its different from other schools and what extra this school has to offer)

With a target of £800,000 to raise, we are venturing into various fund raising activities, one of which is a series of a charity golf tournaments.
