****We are a Homeschool Vendors****

Private Lessons available upon request. Please inquire at the front desk about teacher availability, and pricing.

(All Performance Costumes cost \$50.00 and under)

Costumes

In the event of a performance each dancer will be responsible for the cost of his / her own costume. Performance opportunities will arise throughout the year, with two full-length productions held in December and June. Every class taken will require a separate costume. All performances are optional and it is entirely up to each student whether or not he / she wishes to perform. We do hope that all of our students will take advantage of these wonderful opportunities.
