

Miss and Misses Teeyan Punjaban Guidelines

The Miss, Ms & Mrs Punjaban pageant goal is to promote the Punjabi culture and to promote the beauty of the culture through Pageants. Pageants give the contestants an incentive to work hard on showcasing Punjab's Virsa . The decisions made will be made by judges and no other outsider can influence the judge's decision. With that being said, all decisions are up to the discretion of the judges and the decision made will be final.

The pageant will have two components. One where you perform and right after the judges will have a questionnaire where one judge will ask one question about the culture.

If you have any questions, you can contact Moni Gill 804-601-MELA (6352) or email PUNJABIWCA@GMAIL.COM
