COMPANY PROFILE

INTRODUCTION

Established in 1998 The Company was incorporated as KHAIR AL BALAD TRADING and is a group of professionals having vast experience of Trading and Marketing of various types of electrical goods. Our aim is to provide complete satisfaction to our valued customer's despite-off stiff competition in the Market.

We are a company can reduce risk and improve compliance. Our accreditations offer customer peace of mind. Our continued business is built on reputation and reliability. Whilst meeting and exceeding our client expectations. With our employees having knowledge of regulations, great technical ability and experience of working in a wide range of industries, we can offer best products and fulfill your requirements. Our success has enabled us to expand into outside the Kingdom.

Mission Statement:

Our vision is to focus on environmental activities to benefit society. We are committed to achieving business and financial success while leaving a positive imprint on society.

Our mission is to be the KHAIR AL BALAD TRADING leading trading company focused on customer satisfaction. We seek to produce increased financial rewards and provide opportunities for growth and enrichment to employees, striving for honesty, reliability and integrity within the company.

Our Values

Our values guide the way we work with our business partners, within our communities and with each other. Through our values, we have created a company culture where ideas can blossom, people can thrive and success can flourish.

SUCCESS STARTS HERE

INTEGRITY

- we act with integrity and show respect.
- Demonstrate a commitment to integrity and ethics.
- Show respect for and value all individuals for their diverse backgrounds, experiences, approaches and ideas
- Listen to others for understanding.
- Assume positive intent.

ACCOUNTABILITY

- we are all accountable.
- Keep promises and commitments made to others.
- Take personal accountability for our actions and results.
- Focus on finding solutions and achieving results.
- Actively engage in discussions and commit to decisions once they are made.
- Involve others in decisions and plans that affect them.
- Personally commit to the success and well-being of teammates.
- Embrace the belief that all injuries are preventable and that achieving a safe environment starts with me"

PASSION

- we are passionate about our business.
- Show pride in our company.
- Delight our consumers and serve our customers through the high quality of our products and services.
- Promote a positive, energizing, optimistic and fun environment.
- Promote and implement creative and innovative ideas and solutions.
- Value, promote and fiercely protect our reputation.
- We have the humility and hunger to learn.
- Value openness and curiosity to learn from anyone, anywhere

Email: sales@kabtrd.com
www.kabtrd.com

HUMILITY

- Seek and provide honest feedback.
- Be open to personal change and continuous improvement.
- Learn from mistakes and successes in equal measure.
- Never underestimate our competition.

SIMPLICITY

- we strive for simplicity.
- Seek to continually simplify and improve processes, procedures and activities.
- Work across organizational boundaries/levels and break down internal barriers.
- Deal with people and issues directly and openly

RESULT

We love success.
Achieve results and celebrate when we do.
Help people to be their best by providing coaching and feedback.
Work with others as a team to accomplish results and win.
Have a "can do" (positive) attitude and drive to get the job done.
Make people feel valued and appreciated.
Make the tough calls.

Products

We are able to offer a complete range of electrical & electro-mechanical products for all types of industrial and commercial projects. Our full range of product details listed below:

Cable Glands, Cable Lugs & Cable Cleats

We are Leading Supplier of All Types of Cable Gland With leading Manufacture like: CMP, CCG, PRYSMIAN , HAWK ,ATCAB,AXIS,HEX and many more.

The cable glands are utilized across industries for connecting cables with different equipment's. We offer various types of cable glands to fit all sizes and types of fixtures. The products are made using good quality metal and non-metallic materials sourced from trusted vendors & Cable Lugs in Reputed Make like: Cembre, Burndy, Pennunion, Action and many more. We provide Copper Lugs to meet the demands of our global clients. These are made using pure electrolytic copper to ensure durability and minimum maintenance. Our range of copper lugs are available with different stud hole sizes as required.

Electricals, Mechanical, Telecommunication
UPS, All type of industrial material supplies
Specialised in UL listed material
Full Support for all kind of materials

Wires And Cables

We offer Wire and Cables of Different Approved Manufacturers

We offer cables that are fabricated by experienced and expert personnel as per the latest international quality standards. These are known for their compact design, robust construction and high efficiency features. We offer these cables in customized specifications as per the requirements of clients at market leading prices. Catered to the needs of common man, industrial consumers, projects etc.,

Our cables ranges are as below:

- PVC Cables
- Flame Retardant PVC Wires & Cables
- XLPE Cables
- Cross Linked Polyethylene Power Cables
- PVC Insulated Cables
- PVC Flexible Cables
- Flame Retardant PVC Wires & Cables
- XLPE Power and Control Cables
- XLPE Power Cables

Cable Ties & Electrical Tape (Panduit, Thomas & Betts, 3M)

We offer Stainless steel cable ties are specified for hazardous areas, indoor and outdoor, low and high voltage cable run support for power, control and instrumentation cables. Stainless steel cable tie are used by contractors involved in the design, construction and maintenance of telecommunication networks and infrastructure.

Cable Trays with Cover & Accessories (B Line)

We offering of the widest ranges of cable tray available in the market today. With unmatched quality and service, we offer a variety of styles, material and finish available to support virtually any commercial and industrial cables support application need. We provide Ladder Cable Tray system in a wide variety of material and finished, bottom type, and strength requirements with unmatched accessory packages.

Junction Boxes, Enclosures (Hoffman, Appleton, RITTAL, SCHNEIDER ,ABB)

We are Leading Supplier of all types of Enclosure and Junction Box in Hoffman, Appleton. RITTAL, ABB, SCHNIDER are offering high quality electrical enclosures and junction boxes. These junction boxes are manufactured from top quality materials thus providing maximum satisfaction to our clients.

Further, our range of enclosures provides many choices for enclosing electrical and electronics equipment operating in hostile, harsh and demanding environments of industrial plants, unprotected outdoor areas, marine engineering applications and the areas with increased safety. We offer these enclosures and junction boxes at most competitive prices.

We have the Junction Boxes with Following Specification:-

- 1.) EXPLOSION PROOF
- 2.) Weather Proof Junction Box.
- 3.) MS Enclosures.
- 4.) All Types of Enclosure and Junction Box.

Disconnect Switches

We carry the highest quality of industrial switches with a comprehensive range of accessories. Our industrial switches feature a compact design, motor starting up to 60HP/600V, and rating of 16A to 125A/600V.

Socomec's fusible and non-fusible disconnect switches meet both UL and CSA standards. Their industrial switching and protections solutions provide expert low voltage switchgear components ensuring secure isolation, continuity of power and protection of people and goods.

Our products services are valued for its high quality and reliability. They are designed to be tough, reliable and provide exceptional performance in the most grueling conditions. IEC, UL & CSA, & European standards.

Let us help you find the right industrial switch to fit your needs.

Relay & Switches

We are Leading Supplier of Relay in Reputed Make.

Relay interface modules are available in different channel densities viz 1, 2, 4 & 8 channel Relay Interface Module and choice of features such as with / without fuse and with / without relay mounting base.

Applications

- Interfacing of PLC I/Os to field Sensors & actuators.
- Multiplication of PLC O/Ps for separately driving actuators, annunciates & other devices.
- Isolation of high voltage load & input devices from sensitive PLC electronics.
- Providing channel wise isolation for PLC inputs & outputs.
- Benefits
- Specially designed rugged DIN clamp with metallic base provides immunity against vibration.
- Host of I/O wiring options selectable thru 'on-board shorting links reduces the wiring time
- UL certified non-self-loosening terminals provide reliable connectivity.
- PLC specific Relay Interface Modules with prefab cables facilitates.

FUSES (Bussman, Ferraz Shawmut)

We are Leading Supplier of all type of Fuses in Reputed Make.

We are one of the eminent suppliers of C&S, Bussman, GE, L&T, and Siemens Fuses that are very popular brands in the market. Our range of fuses is known for their compact size, high performance, easy installation and weather & dust resistance. Moreover, we offer this durable range of fuses in sheet steel enclosures with adequate wiring space. These fuses are also widely demanded for

Wiring Devices & MCB & ELCB (Copper Wiring, Hubbell Wiring, Pass & Seymour)

We are leading supplier of all type of Wiring Devices & MCB & ELCB in Reputed Make.

The flow of current through electrical facilities always involves risks. Poorly insulated equipment, faulty wires and incorrect use of an electrical device cause currents to flow through the wrong path (I. E., through the insulation) to the earth. This current is called 'Leakage Current'.

Earth Leakage is an electrical hazard and is responsible for electrical shocks and fire risk. Earth Leakage and its associated hazard can be prevented by residual current circuit breaker (RCCB), also popularly known as Earth Leakage Circuit Breaker (ELCB).

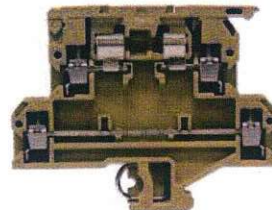

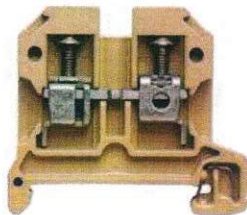

Email: sales@kabtrd.com
www.kabtrd.com

Terminal Blocks (Wiedmuller, Cooper Crouse Hinds)

We offer full range of single-level and two-level feed-through screw connection DIN-Rail terminal, test, disconnect and grounding blocks.

Many blocks are available in multiple colors for easy circuit identification, plus popular single and double-bridge shaft systems for maximum power distribution flexibility. Certifications include UL1059, cURus, IEC60998 and IEC60947-7.

- High Short-Circuit Current Rating (SCCR) rated to help ensure compliance with NEC® 110.10
- Available side-insertion and top-insertion bridges offer unmatched power distribution possibilities
- Multiple colors, partition plates, marking system and labels provide easy circuit identification
- UL 94V0 Flammability rated material with superior electromechanical properties
- Zinc-plated steel wire cage and tin-plated copper conductive elements assure high pressure contact force and low voltage drop

Light Fitting And Fixtures (Cooper lighting, General Electric, Hubbell Lighting, Osram)

With our expertise, we are offering our clients a wide range of lamp lighting fitting and fixtures, which are in compliance with the global standards. These are flame proof, weather proof & rugged in construction and are thus widely demanded amongst our clients. We offer these fitting and fixtures at market leading prices.

Our range includes:

- Electronic Decorative Batten for wall / Ceiling Mounting
- Decorative CFL Wall Lighter for Wall Mounting
- Non Integral Industrial Well glass Luminaries
- Recess Mounting Luminaries with Tapered Lamellae
- Road Lighting
- Flood Lighting
- Post Top Lantern with Conical Cover
- Floodlight Luminaries
- Integrated Ballast Unit
- High Pressure Sodium Vapour SON
- Street Light Luminaries
- Recessed-Mounted Luminaries

Kemlux® Series

Transformers

We Supply all industrial type of transformer in different ways, depending upon client purpose use, like construction etc. They type of transformer are as follows,

- Step Up Transformer & Step Down Transformer.
- Three Phase Transformer & Single Phase Transformer
- Electrical Power Transformer, Distribution Transformer & Instrument Transformer.
- Two Winding Transformer & Auto Transformer
- Outdoor Transformers & Indoor Transformers.

Email: sales@kabtrd.com

Tube and fittings

We are able to offer complete range of instrumenting tube and fittings from different manufactures the types of fittings are as follows, we have wide range of stock for **DK LOK**

Our fittings include the union, union elbow, union tee, male connector, female connector, male elbow, female elbow, pipe weld to tube socket weld, tube weld to tube socket weld and more.

- Weld Fittings
- Ring face seal fittings
- ZCR Face seal fittings
- Pipe fittings
- Calibrations fittings
- JIS Bite type fittings
- High Pressure cone and thread fittings
