All client investments are prepared, reviewed and communicated to the client by Allan (Lanny) MacDougall III, minority owner, and Elizabeth L MacDougall, majority owner. There is one supervised person, Kurtis Savage, who assists in identifying and selecting appropriate mutual fund or ETF investments. We work collaboratively on all clients, thus all of us have direct client contact. We work out of the same office and share all communication. We do not recommend individual stocks but will give our opinion on any particular investment if asked by the client. We do not recommend hedge funds, private equity types of investments, or sub managers.

Here is the additional information required for Allan MacDougall III, Elizabeth L MacDougall and the one supervised person.
