

**REPORT FROM THE AHCA DELEGATE-AT-LARGE
STEVE BYERS**

Working with Bill Walton and Pete Sturtevant, I educated myself in the proper procedure to follow in ClubExpress to send a mass e-mail message to the 7-AHCA group (National Members only). Via ClubExpress, I distributed the proposed Delegates' meeting agenda to all AHCA National-only members with an email address on record and solicited their input, comments, and recommendations. I received several responses expressing appreciation and thanks that the Club is making an effort to keep them informed of activities, topics of discussion, and decisions made by club officers. I did not receive any particular comments or recommendations as input to the Fall Delegates' Meeting.
