Bible Insight:

WHAT WAS THE APPEARANCE OF JESUS? (Part 1)

As human beings, we change our appearance every day. We keep our essence, but the details often change. The same process happened with Jesus. Even after His Resurrection, His disciples did not recognize Him at first. We carry an image of the face of Jesus because we love Him, and this image is an approximation of what Jesus of Nazareth may have looked like.

We know something about the ethnic heritage of Jesus. He was a typical Galilean Semite, approximately 5 feet 1 inch tall, with an average weight of about 110 pounds (Mt 26:48–50). We also have paintings from early members of the Catholic Church, beginning with those found in the catacombs of Rome around the year 200. In addition, we have the Shroud of Turin, the Veil of Veronica, and testimonies from saints who experienced appearances of Jesus. These sources suggest that the image of Jesus we hold today is not far from His original facial features and complexion. (To be continued...)

Abre el año 2026 con calma.

No vivas desde la prisa, las exigencias o la autoevaluación. Nuestra mente no entiende de metas sociales ni de finales de año; entiende de acciones, no de proyectos. La mente no funciona con prisas; al contrario, se bloquea, se empaña y le cuesta decidir. Por eso, inicia con pequeños hábitos: levantarte cinco minutos antes para estar en calma, respirar profundo y dar gracias a Dios. Dale pausas durante el día; no quieras ganarle al tiempo, más bien dale tiempo al tiempo. ...*Bendiciones.*

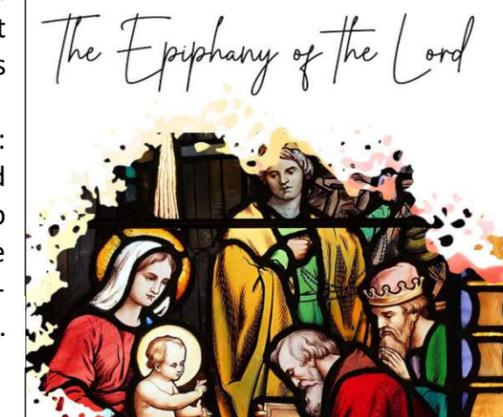

PILLS OF PEACE / PILDORAS DE PAZ:

Begin the year 2026 with peace.

Do not live driven by haste, demands, or self-evaluation. Our minds do not understand social goals or calendar deadlines; they work through actions, not projects. The mind does not function well under pressure—on the contrary, it becomes blocked, clouded, and struggles to make decisions.

For this reason, start with small habits: wake up five minutes earlier to find peace, breathe deeply, and give thanks to God. Give yourself pauses throughout the day; do not try to race against time—instead, give time the time it needs.....

Blessings

Del Escritorio:

¿Cuáles son sus propósitos para este nuevo año 2026? No pensemos en grandes cambios, sino en pequeños hábitos posibles que nos ayuden a crecer. Los pequeños pasos fortalecen nuestra voluntad. Hoy celebramos la Epifanía del Señor. Como los Magos que ofrecieron sus dones a Jesús, preguntémonos: ¿qué podemos ofrecerle nosotros al comenzar este nuevo año? Bendiciones. *Fr. Jesús Camacho*

From the Desk:

What are your resolutions for this new year, 2026? I hope that we can all have some. Do not feel pressured to make big changes; at least try to do what is possible. Many times, we fail to make improvements in our lives because we set too many expectations and try to go too far. Instead of big changes, start with micro-habits; they will help you see how strong your will truly is.

Let us begin the year by giving thanks to God and by working together. I hope to hold a Pastoral Council meeting in Macdona on Wednesday, January 21, at 6:00 p.m., and a Pastoral Council meeting in Von Ormy on Wednesday, January 28, at 6:00 p.m. I hope we can begin organizing the first semester of the year. Please bring your proposals in writing, including proposals from each ministry and group, along with copies for all participants.

Today we celebrate the Epiphany of the Lord, which means Jesus makes Himself available to everyone. The Magi found Jesus and offered Him gifts. The question is: if we were the Magi, what could we offer to Jesus?

Blessings. *Fr. Jesús Camacho*
