BIBLE INSIGHT: WHY DO WE CONFESS OUR SINS TO THE PRIEST?

To approach the sacrament of confession is also to relate in doing the will of God. Maybe God could have forgiven our sins directly without intervention of the priest, but to confess the sins to the priests is the will of God.

Jesus gave to his disciples, and by the extension, priests, the power not only to “loosen” sins (that is, forgive sins in the God’s name). But also, to “bind” (that is, to impose penance): “whatever you loose on earth shall be loosen in heaven (Mt. 18:18 also Mt. 16:19), “if you forgive the sins of any, they are forgiven; if you retain the sins of any, they are retained” (Jn. 20:23). The church receives this power with responsibility. This is why not everyone is a priest and not every priest has the faculties to hear confessions.

The priest serves as the representative of God, and of His mercy. Confessions give new courage, confidence and a fresh start. One learns humility by this practice, receives additional grace in order to avoid sin, and attains a certainty of forgiveness that is superior to mere feelings. Confessions is also indicated in Matthew 3:5-6; Acts 19:18 and 1 John 1:9.

I CAN, YOU CAN, WE CAN

If you could please help us bringing cans to help people in need Put them in the box located at the back of the Church. Thank you.

Nos podrías ayudar con latas de comida para las personas necesitadas, de la comunidad. Por favor colócalas en la caja que se encuentra en la parte de atrás de la iglesia. Muchas gracias.
