Bible Insight:

WHAT DOES IT MEAN TO BE AN APOSTLE?

In general, an apostle is a messenger and authorized representative of the sender. Broadly used in Scripture, it refers to many followers of Jesus who spread his message. More precisely, however, it applies to the original twelve men chosen by Jesus (Mark 3:13) to be his immediate aides. They are referred to as disciples during the period in which He was instructing them, but following his ascension they are always called apostles. They were ordained priests by Christ at the Last Supper and were commissioning by him to preach the gospel to all mankind (Matthew 28:19-20).

From the Desk:

We are still working on making the sanctuary beautiful (altar of the church), I hope that you like the messages that the paintings contained. The painting with the holy Spirit is on the ambo that is used to proclaim the Word of God, which means that the "Proclamation of the kingdom of God," is led by the Holy Spirit and The Father calls people and they follow Jesus (John 6:44).

This week brothers and sisters have come to cut the grass that it was on the front of the property, but still, we have to cut the rest of the grass, I am so grateful with the generous people who always help us; blessings to them.

We printed already the tickets for the October raffle; we are inviting to the sponsors to turn the gift cards of the money to the office; God reward them abound.

Thanks to our sisters and brothers who attended the Deacon celebration; I give thanks to the Deacon Larry for his ministry, his enthusiasm and his wisdom that he shares with us. Gracias Deacon, bendiciones .

5K run and walk at SHJ, we still do not have much response, I hope that as the time approaches, we can see your registration. Please support us with this activity; to care of our body is also a commitment of a good catholic.

Blessings. *Fr. Jesús Camacho*
