

With the Affiniti QSR Foodservice Technology Suite, your customers will engage deeper with **YOUR BRAND** as they construct their favorite food creations!

Give your customers a sense of decision ownership on their up-sold creation that will lead to increased order accuracy and increased ticket sales.

When ordering directly from their phone with **YOUR BRANDED** mobile app, or from **YOUR BRANDED** in-store Kiosk, you'll see a proven lift in your foodservice operation.

"Average ticket sales have increased nearly 10% after introducing the kiosk and we are expecting up to 15%"

- William Baine, Git'N Go Market

With Affiniti QSR, orders and preparation information display in Real-Time in the Kitchen.

Order timers, paid status and order preparation information, including consumer's name are displayed on Affiniti Kitchen.

Order receipts can be printed out for in-store tracking and payment, plus transactions are captured for data feed to your Connexus standard Back-Office System.
