\$100/TEAM with \$30 from each registration going to the winner
Saturday, November 15, 2025

1st Round starts promptly at 12:00pm

Scoring information

This will be a round robin tournament. Games are first to 21 points.

Each team plays all other teams once. After round robin play, teams are seeded according to their records and point differentials. The top teams advance to a single-elimination bracket.

1. **Gameplay:** Players alternate by tossing their bags toward the opposite board. A bag through the hole scores 3 points, a bag landing on the board scores 1 point, and a bag that lands on the ground or bounces in scores 0 points. Points are tallied for each team after all 8 bags are thrown.
2. **Scoring:** Cancellation scoring is used, where only the higher-scoring team scores any points.
 - Team 1 scores 4 pts and team 2 scores 2 pts = Team 1 scoring 2 pts
 - The last team to score points at the end of each turn goes first for the next turn.

Nuffsaid Sports Academy (NSSA) is a youth baseball organization that recently got the opportunity to become a growing business back in March of 2025. The organization, founded by Gustavo Duanys, has been run with his partner, Christian Ortiz, for the past 11 years as a way for their sons and other local youth to play competitive travel baseball. NSSA is fueled by the belief that every kid deserves a chance at following a dream. They have created a place where we don't just teach the game – we teach discipline, respect, and resilience. Every rep, every play, every moment here is part of a bigger purpose: building champions on and off the field.

Last February we had the opportunity to send a team of deserving boys to Puerto Rico to compete at the international level at the International President's Cup. With their grit, determination, and supportive leadership, they brought home second place! This year we are reaching higher than we ever thought possible! We are attempting to send at least four teams at all different age levels with the hopes of bringing home multiple championships! As a non-profit and a newly growing business, we need the help of the community to achieve this goal! This is the opportunity of a lifetime for some of these young people who may not have the means to achieve their dreams without our help.

The 1st Annual Cornhole Tournament is a fun way to help raise the funds to help the families with travel and housing expenses. There will be cash prizes, raffles, and vendors at the event to create an enjoyable atmosphere. If you are a vendor and would like to have a table at the tournament, we ask that you either donate a raffle item (\$50 value) with a table price of \$50 or enter a team into the tournament! Everyone wins here at NSSA! Let's help raise these boys to the level they deserve and continue to enrich our family and community together!
