After a weekend without football, Tilbury took the long trip up to Norfolk as we faced Wroxham. Last night, we welcomed four new signings and they all featured in today's squad as Billy Lawlor, Soumen Nandi and Malaki Toussaint all started for their debuts, whilst Josh Taylor started amongst the substitutes.

Despite being at a ground which we have struggled at in recent years, The Dockers got off to the perfect start, opening the scoring after just eight minutes. Kieran Jones was the goalscorer, as his corner was delivered towards the front post, taking a touch off a defender as it flew past the keeper.

Wroxham were quick to work the ball down the other end as they searched for the equaliser, and it nearly came inside 15 minutes. A low cross from the left-hand side caused a scramble in the area, before Asa McGeachy found space for a shot. However, his effort was somehow saved by Billy Lawlor as the ball was hooked off the line and cleared to safety.

Soon after, Lawlor was called to action once again, when The Yachtsmen broke down the left flank. Travis Dodsworth was the man spearheading the counterattack as he carried the ball into the penalty area before drilling a strike towards the far corner. But there was no way past Lawlor who was down quickly to make a brilliant save.

On the stroke of halftime, Tilbury doubled their lead after Joe Elliott's long throw-in was flicked on by Luke Reeve, and Dan Trendall battled well in the box to poke the ball over the line at the near post.

The second half was not as action-packed as the first, but a professional display from the visitors ensured that they remained in control of the match at all times.

Then four minutes into stoppage time, Luke Reeve's ball forward was latched onto by Kieran Jones, who delicately lifted the ball over the keeper's head and into the net to seal all three points.

That was all the action in Norfolk, as we earned a point per hour of travelling we had to get home. The Dockers are back in action on Saturday 21st February when we host Takeley in a 3pm kick-off.
