

Hashtag United 1 Tilbury 0

A wet and blustery afternoon in Pitsea witnessed Tilbury take on former tenants Hashtag United. Traffic issues with a multi car accident on the A13 meant some last minute changes to the dockers starting line up including the return of Harry Girling in goal.

It didn't take long for Tilbury to have their first test of Hashtag keeper Anthony Page, A deflected header from a Suaibo Balde shot forced Page to tip over bar for a Tilbury corner to come to nothing.

Harry Girling looked to be back to good form a Hashtag attack forcing a good low save to Girling's right followed by a real domination of his area to foil any real Hashtag chances.

Tilbury had some good spells of play for long periods during the first half forcing a few free kicks in Tilbury's favour. Notably a Chris Millar effort on 30 mins forced another tip over from page and a Lee Noble effort beating page but not the crossbar on 38 mins.

A good Tilbury first half finished with Sam Jeremiah forcing yet another save from the Busy Anthony page.

The second half however lacked the passion and drive from the Tilbury players that was shown in the 1st half. No real notable events until a solo effort from the edge of the box by Joni Vukaj on 56 broke the deadlock and made the game advantage Hashtag.

Tilbury attempted a fight back but with a lacking team cohesion the chance of an equaliser was slim. On 65 Sam Jeremiah struck over from 20 yds followed on 83 by the best chance of the game, a Nobel corner fell to Remi Nelson who managed to put his shot high and wide from 4 yds out.

Another disappointing afternoon for the dockers failing to pick up any points and the relegation threat a very real possibility. Following the conclusion of the game Keith Rowland and Glen Robson left the club by mutual consent.
