

102 - Half-Day Outdoor Shooting & Review

Pricing & Payment

Cost: SGD\$300

Payment by: PayNow, PayLah, and PayPal.

Date, time & venue: to be confirmed by email before payment

Free cancellation and full refund (by PayNOW or PayPal only) up to 24 hours before the start of the session. No refund will be entertained within 24 hours.

Terms & Conditions

The venue will be either Mandai Bird Paradise or Singapore Zoo: the choice is yours based on your subject preferences. Entrance fees will be covered. Should the weather be too adverse, we can reschedule for another day and time.

Post-outing review session to be conducted via Zoom: session details to be confirmed by email.

The timing and duration for each session are approximate and may differ slightly depending on personal interests.

Renting of gear (SONY a1 M1 + FE70200 GM OSS II + x1.4TC) can be arranged for an extra SGD\$50 per half-day.

Terms & Conditions of the rental contract will be sent by email should you need this service separately from the course fees.

Subjects Covered

1. Half-day outdoor shooting session is designed to put into practice most of the photography fundamentals learned in the 101 Course (but is not required if you just want to practice with me!)
2. The goal of this course is to shoot in a controlled, yet varied, environment with guaranteed subjects' presence to try different scenarios
3. Bring in your camera, lens(es) and accessories, or rent from me, as well as accessories (TCs, tripod, monopod...), plenty of water, snacks, poncho and/or umbrella should it rain and/or be too sunny!
4. We will cover camera and lens operations, get your framing, composition, exposure triangle, and shooting mode rights
5. Once you are back home, have downloaded your shots and processed them if required, we will conduct a review during a 30-minute Zoom session!*
6. Final tips and recommendations
7. Q&A

PS: courses are also available in French. Email contact@lanceflare.com for enquiries about this course in French.

* Zoom offer is valid for 1 month post-course

** Send (wetransfer or similar to contact@lanceflare.com) lower resolution RAW or JPEG versions THREE days before the course to allow image analysis for course review and discussion.
