Special Scheduling Requests:

- Some riders have special scheduling requests due to trailering arrangements, trainers that are riding and coaching, riders with two horses, etc. Although not guaranteed, every attempt will be made to honor these requests, as follows:
 - If a class can be scheduled at a time frame requested by the rider, this will be done.
 - If the class cannot be scheduled in this time frame, every attempt will be made to schedule special request rides BEFORE the balance of the class; this is necessary so other riders do not have to wait for the class to finish.
- Please note that special scheduling requests involving a wide variety of tests can be very difficult to honor, but we will try!
- Also please note that scheduling occurs after the closing date; therefore, a ride that is scratched due to a special request that cannot be honored will be considered a scratched ride and the ride fee must be paid.
