Please do not hesitate to use Renovaze. Yousuf and his exemplary team ripped out and installed a totally new bathroom in our North London flat. They do so incredibly diligently, courteously and efficiently. Renovaze centrally manage their projects and take the sourcing of materials and labour out of the customers hands - a real relief. The various fitters/workers on site are held to the exemplary Renovaze standard and their work was faultless. The team take great care in their work, and your property and are frankly delightful to have around. They are fully transparent re: costs, too, providing detailed breakdowns of the works involved and materials acquired.

- James McMurray

These guys were simply superb. Yousuf and the team were friendly and wonderfully professional from start to finish. They made exceptional efforts to protect my property before the work started, and kept me informed throughout. They were impressively meticulous during the job and genuinely took the stress out of the decommissioning and installation process. Their attention to detail and genuine desire to do a first rate job was evident throughout. I'm extremely happy with the final bathroom, and have no hesitation in giving these guys the highest recommendation. I'd use them again in an instant.

- Ben Sachs-Smith

I am so glad I went with Yousuf for my Bathroom Projects. From the initial quote and advice the service has been exemplary. He and his Team carried out the works very tidily. The plumbing work involved rearranging pipes so that they were not just "boxed in" to allow extra space in the Bathroom. All electric, carpentry and tiling work was excellent. We are extremely pleased with the end result.

I found Yousuf to be very genuine and honest and someone I would not hesitate to hire again.

- Jayash Mistry

Best team. Finished my work on time with no excuses. Quality work. 5 stars from me.

- Miteshbhai Shah

Yousuf and his team were very professional and detailed. All works were quoted clearly and no hidden charges. They listened to my requirements and recommended solutions and options for my new shower and toilet. They finished the works on time. Overall I am very happy with my new shower and bathroom.

- Jas Li

Renovaze are an impeccable team of guys who fitted my new wet room. They did a fantastic job. I am very thankful to them as they clearly treated my home as though it was theirs. I requested for the painting to be done also. Lovely job. Very clean. Very happy. I definitely recommend these guys to anyone looking to do work to their home!!

- Tanvir Hussain

We could not recommend Yousuf and the Renovaze team enough! Throughout the process they worked with us on every element, including offering invaluable advice and expertise. The process was clearly explained from start to finish with realistic time frames and a positive approach to any challenges that appeared along the way. We will certainly be working with them again in the future and will be encouraging friends and family to do the same!
