**Skilled and Unskilled workforce** Baruch assists clients who are in need of both skilled & unskilled labor on contract basis. We have solid background checks & interviews to screen out the professional & committed staff to drive the project of our clients to success.

**Civil Construction and Contracting** Baruch Trading has established various industry partnerships to deliver teams of professional & seasoned personnel to drive your construction projects with efficiency. We trust in the calibre of our partners & in our vetting process to connect you with the best construction professionals in Qatar.

**Specialised manning for Oil & Gas** Baruch has technical understanding offering comprehensive EPC solutions for offshore greenfield & brownfield projects. Our services are not limited to equipment supply, topside insulation & cladding, pipe laying, transportation and installation services.

**MEP Contracts & Maintenance** Baruch has a proven history of providing highly talented crews for MEP services like Mechanical, Electrical, Plumbing & Firefighting. We have built a large network of contractors with a pool of well-certified technicians, safety engineers, project managers and other professionals to handle the end-to-end operations of your dream projects.

**Hospitality Services** We also furnish human resources to clients in the hospitality & healthcare industries. Baruch has a personal database of devoted & highly-trained teams of medical practitioners & hospitality professionals, as well as a carefully curated list of contractors.

**General Trading** Baruch has also expanded our service offerings to include the sourcing & supply of high-quality building materials & industrial equipment. We provide a wide product line catering to the Oil & Gas, Construction & other industries at competitive costs & with shorter lead times.
